Buy fresh and affordable produce directly from farmers

Compre frutas y verduras frescos y baratos de agricultores locales.

CalFresh/EBT is matched up to \$10 per family, per market (varies by location.) Market Match is offered for a limited time while funding is available. Some restrictions apply.

CalFresh / EBT iguala entre \$ 10 por familia, por mercado (varía según la ubicación). Market Match se ofrece por un tiempo limitado mientras haya fondos disponibles. Se aplican algunas restricciones.

Market Match is available to individuals and families who receive CalFresh. Market Match is a program of the Ecology Center and is provided by Alchemist Community Development Corporation. This project is funded in part by USDA National Institute of Food & Agriculture and the California Department of Food and Agriculture.
